CHAPTER _____

An act to amend Sections 8151, 8152, 10004, 10850, and 11461.36 of, and to add Section 12201.7 to, the Welfare and Institutions Code, relating to public social services, and making an appropriation therefor, to take effect immediately, bill related to the budget.

LEGISLATIVE COUNSEL'S DIGEST

SB 86, Committee on Budget and Fiscal Review. Public social services.

(1) Existing law establishes the State Supplementary Program for the Aged, Blind, and Disabled (SSP), which requires the State Department of Social Services to contract with the United States Secretary of Health and Human Services to make payments to SSP recipients to supplement Supplemental Security Income (SSI) payments made available pursuant to the federal Social Security Act.

Existing law also establishes the Golden State Grant Program, which requires the department to make a one-time grant payment of \$600 to qualified grant recipients, including recipients of benefits under the SSI/SSP program. Existing law authorizes the department to determine the form and manner of these payments.

This bill would instead require the one-time grant payments made under the Golden State Grant Program to individuals who are eligible for the payment because they are recipients of SSI/SSP benefits to be paid as a one-time increase of \$600 to the individual's SSP benefits. The bill would expressly exempt this increase from the provisions requiring the department to contract with the United States Secretary of Health and Human Services to make payments to SSP recipients.

(2) Existing law authorizes eligibility interviews for the Cash Assistance Program for Aged, Blind and Disabled Legal Immigrants program to be conducted electronically, and all application and redetermination forms to be submitted by telephone, email, or facsimile through December 31, 2020.

This bill would continue that authorization through the end of the state of emergency declared on March 4, 2020, due to the COVID-19 pandemic.

(3) Existing law prohibits a person from publishing or disclosing, or permitting the publication or disclosure of, a list of persons receiving public social services and limits the use of the lists to purposes directly connected with the administration of public social services.

This bill would authorize the use of a list of persons receiving public social services to notify a public social services recipient of their potential eligibility for other benefits and services not administered by the department.

(4) Existing law provides for the temporary or emergency placement of dependent children of the juvenile court and nonminor dependents with relative caregivers or nonrelative extended family members under specified circumstances. Existing law requires counties to provide a specified payment to an emergency caregiver if, among other things, the emergency caregiver has completed an application for resource family approval and an application for the Emergency Assistance Program. Existing law, for emergency or compelling reason placements in the 2020–21 fiscal year, makes the federal and state share of payments available beyond 120 days of payments and up to 365 days of payments if specified conditions are met.

This bill would suspend the 365-day payment limitation through June 30, 2021, subject to guidance from the department.

(5) This bill would appropriate \$1,234,000 from the General Fund to the State Department of Social Services to implement provisions relating to foster care placements during the COVID-19 emergency and would authorize up to \$29,000 of those funds to be used for administrative support to counties for the processing of those payments.

(6) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 8151 of the Welfare and Institutions Code is amended to read:

8151. (a) The State Department of Social Services shall make a one-time grant payment in the amount of six hundred dollars (\$600) to each grant recipient, as defined in subdivision (b) as of the eligibility date. The grant payments may be made in the form and manner determined by the department, including establishing the eligibility date and contracting with one or more entities.

(b) For the purposes of this section, “grant recipient” means one of the following:

(1) An assistance unit as defined in Section 11450.16 under the California Work Opportunity and Responsibility to Kids Act (Chapter 2 (commencing with Section 11200) of Part 3 of Division 9).

(2) Subject to subdivision (e), a recipient of benefits provided under the Cash Assistance Program for Aged, Blind, and Disabled Legal Immigrants (Chapter 10.3 (commencing with Section 18937) of Part 6 of Division 9).

(3) Subject to subdivision (e), a recipient of benefits under the Supplemental Security Income/State Supplementary Program (SSI/SSP) (Chapter 3 (commencing with Section 12000) of Part 3 of Division 9). A payment issued pursuant to this paragraph shall be issued as a one-time increase, in the amount of six hundred dollars (\$600), to a payment received under the State Supplementary Program for the Aged, Blind, and Disabled (SSP), as described in Section 12201.7.

(c) Notwithstanding any other law, the receipt of a payment under this section shall be treated in the same manner as the federal earned Income Tax Credit for the purpose of determining eligibility to receive benefits under Division 9 (commencing with Section 10000) of the Welfare and Institutions Code or amounts of those benefits.

(d) Notwithstanding any other law, the receipt of a payment authorized pursuant to this section shall not be taken into account as income, and shall not be taken into account as resources for a period of 12 months from receipt, for purposes of determining the eligibility of that individual, or any other individual, for benefits or assistance, or the amount or extent of benefits or assistance, under any state or local program not covered in subdivision (c). With respect to a state or local program, this subdivision shall only be implemented to the extent that it does not conflict with federal

law relating to that program, and that any required federal approval or waiver is first obtained for that program.

(e) Pursuant to Section 18941, a recipient eligible to receive a grant payment under paragraph (2) or paragraph (3) of subdivision (b) shall not receive the grant payment unless the department is able to issue grant payments under both paragraphs (2) and (3).

(f) Notwithstanding any other law, for purposes of Section 10850, the activities in furtherance of this section are directly connected with the administration of public social services. Information may be disclosed as necessary to effectuate the purposes of this section. Information disclosed pursuant to this section shall be limited to that information necessary to implement this section.

(g) (1) Contracts or grants awarded pursuant to this section shall be exempt from the personal services contracting requirements of Article 4 (commencing with Section 19130) of Chapter 5 of Part 2 of Division 5 of Title 2 of the Government Code.

(2) Contracts or grants awarded pursuant to this section shall be exempt from the Public Contract Code and the State Contracting Manual and shall not be subject to the approval of the State Department of General Services.

(h) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), the State Department of Social Services may implement, interpret, or make specific this section by means of all-county letters or similar written instructions, which shall be exempt from submission to or review by the Office of Administrative Law. These all-county letters or similar instructions shall have the same force and effect as regulations.

SEC. 2. Section 8152 of the Welfare and Institutions Code is amended to read:

8152. (a) (1) A Golden State Stimulus payment made by the Controller pursuant to Section 8150, a Golden State Grant payment made by the State Department of Social Services or contracted entities pursuant to Section 8151, and a payment made pursuant to Section 12201.7 shall be automatically exempt from a garnishment order.

(2) This subdivision does not apply to a garnishment order in connection with an action for, or a judgment awarding, child

support, spousal support, family support, or a criminal restitution payable to victims.

(b) Notwithstanding any other law, a financial institution receiving directly from the state the payments described in subdivision (a) shall exempt those payments from any garnishment order if the payment is marked by the state as a “Golden State Stimulus payment” or “Golden State Grant payment” or includes some other industry-standard unique identifier that is reasonably sufficient to allow the financial institution to identify the funds as a Golden State Stimulus payment or Golden State Grant payment.

(c) (1) In exempting a Golden State Stimulus payment or Golden State Grant payment from a garnishment order, a financial institution shall identify an exempt deposit using a lookback period during an account review.

(2) The financial institution shall perform a one-time account review consistent with the requirements described in subsection (a) of Section 212.5 of Title 31 of the Code of Federal Regulations.

(d) A financial institution that attempts in good faith to comply with this section shall not be subject to liability or regulatory action under a federal or state law, regulation, court or other order, or regulatory interpretation for actions concerning applicable payments.

(e) As used in this section:

(1) “Account review” means the process of examining deposits in an account to determine if a benefit agency has deposited a benefit payment into the account during the lookback period.

(2) “Garnishment order” means a writ, order, notice, summons, judgment, levy, or similar written instruction issued by a court, a state or state agency, or a municipality or municipal corporation, including an order to freeze the assets in an account, to effect a garnishment against a debtor.

(3) “Lookback period” means the two-month period that begins on the date preceding the date of account review and ends on the corresponding date of the month two months earlier or on the last date of the month two months earlier if the corresponding date does not exist.

SEC. 3. Section 10004 of the Welfare and Institutions Code is amended to read:

10004. (a) For all In-Home Supportive Services recipients who were due for a reassessment pursuant to Section 12301.1

between the issuance of Executive Order No. N-29-20 and June 30, 2020, and for whom one was not completed due to the waiver authority set forth in Executive Order No. N-29-20, counties shall have until December 31, 2020, to complete the required reassessments.

(b) Reassessments for In-Home Supportive Services recipients required pursuant to Section 12301.1 on or before December 31, 2020, may be conducted remotely using telehealth, including by video conference or telephone, subject to continuing federal approval.

(c) (1) For applicants and recipients of the Cash Assistance Program for Aged, Blind and Disabled Legal Immigrants (Chapter 10.3 (commencing with Section 18937) of Part 6), all eligibility interviews may be conducted electronically, including by telephone or videoconference, and all application and redetermination forms may be submitted by telephone, email, or facsimile, through the end of the state of emergency declared on March 4, 2020, due to the COVID-19 pandemic.

(2) An applicant or recipient applying for the Cash Assistance Program for Aged, Blind and Disabled Legal Immigrants (Chapter 10.3 (commencing with Section 18937) of Part 6) through the end of the state of emergency declared on March 4, 2020, due to the COVID-19 pandemic, satisfies the eligibility verification requirement specified in subdivision (a) of Section 18939, that the applicant or recipient is ineligible for Supplemental Security Income/State Supplemental Program (SSI/SSP) solely due to their immigration status, by providing a verbal attestation that they have applied for SSI/SSP and their application is pending a final determination by the Social Security Administration, or that they have received a final determination and denial by the Social Security Administration.

(d) This section shall remain in effect only until January 1, 2024, and as of that date is repealed.

SEC. 4. Section 10850 of the Welfare and Institutions Code is amended to read:

10850. (a) Except as otherwise provided in this section, all applications and records concerning any individual made or kept by a public officer or agency in connection with the administration of any provision of this code relating to any form of public social services for which grants-in-aid are received by this state from the

United States government shall be confidential, and shall not be open to examination for any purpose not directly connected with the administration of that program, or any investigation, prosecution, or criminal or civil proceeding conducted in connection with the administration of that program. The disclosure of information that identifies, by name or address, an applicant for, or recipient of, these grants-in-aid to any committee or legislative body is prohibited, except as provided in subdivision (b).

(b) Except as otherwise provided in this section, a person shall not publish or disclose or permit or cause to be published or disclosed a list of persons receiving public social services. Any county welfare department in this state may release lists of applicants for, or recipients of, public social services, to any other county welfare department or the State Department of Social Services, and these lists or any other records shall be released when requested by any county welfare department or the State Department of Social Services. These lists or other records shall only be used for purposes directly connected with the administration of public social services or to notify a public social service recipient of their potential eligibility for other benefits and services not administered by the State Department of Social Services, including, but not limited to, education and access to critical public health services and poverty-alleviating benefits, as determined by the State Department of Social Services. Except for those purposes, a person shall not publish, disclose, or use or permit or cause to be published, disclosed, or used any confidential information pertaining to an applicant or recipient.

(c) Any county welfare department and the State Department of Social Services shall provide any governmental entity that is authorized by law to conduct an audit or similar activity in connection with the administration of public social services, including any committee or legislative body so authorized, with access to any public social service applications and records described in subdivision (a) to the extent of the authorization. Those committees, legislative bodies, and other entities may only request or use these records for the purpose of investigating the administration of public social services, and shall not disclose the identity of any applicant or recipient except in the case of a criminal

or civil proceeding conducted in connection with the administration of public social services.

(d) This section does not prohibit the furnishing of this information to other public agencies to the extent required for verifying eligibility or for other purposes directly connected with the administration of public social services, or to county superintendents of schools or superintendents of school districts only as necessary for the administration of federally assisted programs providing assistance in cash or in-kind or services directly to individuals on the basis of need. Any person knowingly and intentionally violating this subdivision is guilty of a misdemeanor.

(e) In the context of a petition for the appointment of a conservator for a person who is receiving, or has received, aid from a public agency, as indicated above, or in the context of a criminal prosecution for a violation of Section 368 of the Penal Code both of the following shall apply:

(1) An adult protective services employee or ombudsman may answer truthfully at any proceeding related to the petition or prosecution, when asked if the employee or ombudsman is aware of information that they believe is related to the legal mental capacity of that aid recipient or the need for a conservatorship for that aid recipient. If the adult protective services employee or ombudsman states that they are aware of such information, the court may order the adult protective services employee or ombudsman to testify about personal observations and to disclose all relevant agency records.

(2) The court may order the adult protective services employee or ombudsman to testify about personal observations and to disclose any relevant agency records if the court has other independent reason to believe that the adult protective services employee or ombudsman has information that would facilitate the resolution of the matter.

(f) The State Department of Social Services may make rules and regulations governing the custody, use, and preservation of all records, papers, files, and communications pertaining to the administration of the laws relating to public social services under its jurisdiction. The rules and regulations shall be binding on all departments, officials, and employees of the state, or of any political subdivision of the state, and may provide for giving

information to, or exchanging information with, agencies, public or political subdivisions of the state, and may provide for giving information to, or exchanging information with, agencies, public or private, that are engaged in planning, providing, or securing social services for, or on behalf of, recipients or applicants; and for making case records available for research purposes, provided that making these case records available will not result in the disclosure of the identity of applicants for, or recipients of, public social services and will not disclose any personal information in a manner that would link the information disclosed to the individual to whom it pertains, unless the department has complied with subdivision (t) of Section 1798.24 of the Civil Code.

(g) A person, including every public officer and employee, who knowingly secures or possesses, other than in the course of official duty, an official list or a list compiled from official sources, published or disclosed in violation of this section, of persons who have applied for, or who have been granted, any form of public social services for which state or federal funds are made available to the counties is guilty of a misdemeanor.

(h) This section does not prohibit an employee of a county welfare department from disclosing confidential information concerning a public social services applicant or recipient to a state or local law enforcement agency investigating or gathering information regarding a criminal act committed in a welfare department office, a criminal act against a county or state welfare worker, or a criminal act witnessed by a county or state welfare worker while involved in the administration of public social services at any location. Further, this section does not prohibit an employee of a county welfare department from disclosing confidential information concerning a public social services applicant or recipient to a state or local law enforcement agency investigating or gathering information regarding a criminal act intentionally committed by the applicant or recipient against an off-duty county or state welfare worker in retaliation for an act performed in the course of the welfare worker's duty when the person committing the offense knows, or reasonably should know, that the victim is a state or county welfare worker. These criminal acts shall include only those that are in violation of state or local law. Disclosure of confidential information pursuant to this

subdivision shall be limited to the applicant's or recipient's name, physical description, and address.

(i) The provisions of this section shall be operative only to the extent permitted by federal law and shall not apply to, but exclude, Chapter 7 (commencing with Section 14000) and Chapter 8 (commencing with Section 14200) of this division, and for which a grant-in-aid is received by this state from the United States government pursuant to Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396 et seq.).

(j) (1) Public social services, as defined in Section 10051, includes publicly funded health care services administered or supervised by the department or the State Department of Health Care Services, except that, as used in this section, it does not include the Medi-Cal program. This subdivision does not affect or alter the exclusions contained in subdivision (i) or the confidentiality provisions contained in Section 14100.2.

(2) This subdivision clarifies existing law.

(i) (1) For the 2018–19 and 2019–20 fiscal years, the department shall determine, on a county-by-county basis, whether the timeframe for the resource family approval process resulted in net assistance costs or net assistance savings for assistance payments, pursuant to this section.

(2) For the 2018–19 and 2019–20 fiscal years, the department shall also consider, on a county-by-county basis, the impact to the receipt of federal Title IV-E funding that may result from implementation of this section.

(j) (1) The department shall monitor the implementation of this section, including, but not limited to, tracking the usage and duration of Emergency Assistance Program payments made pursuant to this section and evaluating the duration of time a child or nonminor dependent is in a home pending resource family approval. The department may conduct county reviews or case reviews, or both, to monitor the implementation of this section and to ensure successful implementation of the county plan, submitted pursuant to subparagraph (B) of paragraph (2) of subdivision (e) of Section 11461.35, to eliminate any resource family approval backlog by September 1, 2018.

(2) The department may request information or data necessary to oversee the implementation of this section until data collection

is available through automation. Pending the completion of automation, information or data collected manually shall be determined in consultation with the County Welfare Directors Association of California.

(k) An appropriation shall not be made pursuant to Section 15200 for purposes of implementing this section.

(l) (1) On and after July 1, 2019, each county shall provide a payment equivalent to the resource family basic level rate of the home-based family care rate structure, pursuant to Section 11463, on behalf of an Indian child, as defined in subdivision (a) of Section 224.1, placed in the home of the caregiver who is pending approval as a tribally approved home, as defined in subdivision (r) of Section 224.1, if all of the following criteria are met:
